

Northern Region LGBT Network

**TRANSGENDER
DAY OF
REMEMBRANCE**

**MONDAY
NOVEMBER 20**

Every year, across the world, on November the 20th there are commemorations in honour of trans people who have been murdered or attacked – giving recognition and respect to a section of our community who are habitually overlooked, or purposely ignored. Reliable studies show that the trans suicide rate is way above the national average.

**Join us at PCS Northern Region LGBT Network
On Monday 20th November from 13:30 as we remember those who
tragically died in the last year.**

A shared meal will be held – please bring something to share.

You do not have to be LGB or T to attend this event – you just have to support equal rights.

Eddy Nixon – PCS Northern LGBT Regional Network Chair
Dave Cunningham - PCS Northern LGBT Regional Network Secretary
